

# University Will Confer Honorary Degrees On Six

Honorary degrees will be conferred on six men during DePauw University's 125th annual commencement exercises June 7, President William E. Kerstetter has announced.

Among the recipients will be two college presidents, two church leaders, a bank president and a college professor. Four are alumni of the university which is honoring them.

University of Kentucky President John W. Oswald will receive the LL.D. degree. Oswald, who will deliver the commencement address to approximately 500 graduating seniors, himself was graduated from DePauw in 1938. The Minneapolis, Minnesota, native assumed the Kentucky post last year.

An L.H.D. degree will be conferred on Dr. Edward Bauman professor of systematic theology and Christian ethics at Wesley Theological Seminary in Washington, D. C. Originator of a nationally acclaimed television Bible course, he was graduated from DePauw in 1948. Bauman, born in East St. Louis, Ill., will present the college's baccalaureate sermon.

Dr. Alexander E. Jones, president of Butler University and a 1942 graduate with high distinction of DePauw, will receive the LL.D. degree. In his second year as president of Butler, Dr. Jones is a native of Independence, Mo.

Fourth alumnus to be honored with an honorary doctorate will be John Kurt Mahardt. Receiving the LL. D. Mahardt is president of Indianapolis Indiana National Bank. He was reared in Indianapolis and was granted the B. A. degree by DePauw in 1928.

Doctor of Divinity degrees will be conferred on two superintendents of Indiana districts of The Methodist Church.

The Rev. James Kenneth Forbes, superintendent of the Indianapolis District since 1962, has earned degrees from Syracuse and Boston Universities and an honorary D. D. from Evansville College. Former superintendent of the New Albany District, Forbes was born in Bridgeport, Conn.

The Rev. John Deming Wolf heads the South Bend District of The Methodist Church. Wolf is a former member of DePauw's Board of Trustees and Visitors and has served Methodist churches in Evansville, Martinsville and South Bend.

Though a Missourian (Kansas City) by birth, he received the A. B. degree from Oberlin College in 1939 and the B. D. from Union Theological Seminary three years later.

Alumni-commencement week-end activities include alumni reunions and dinners June 5-6, baccalaureate services at 10 a. m. Sunday, June 7, and commencement ceremonies at 4 p. m. the same day.

## Dr. Johnson To Speak At DPU

Myths in higher education will be the theme of an address Dr. Eldon L. Johnson, president of the 12-school Great Lakes Colleges Association, is key-noting a dinner meeting of DePauw's chapter of the American Association of University Professors (AAUP).

Reservations for the program, which will begin at 6 p. m. in the Memorial Student Union building, may be made by contracting Professor Roger Cox.

## 20 Years Ago

Mrs. Josef Sharp was hostess to the Home Economics Culture Club.

The Veronica Club met with Mrs. W.J. Weensner.

Mrs. Rexell Boyd was hostess to the Delta Theta Tau sorority.

Mr. and Mrs. Don McLean left for Monterrey, Mexico.

## School Board To Meet On Monday

The Greencastle Consolidated School Board will hold its regular meeting on Monday evening at 7:30 in the office of the Superintendent.

At this meeting the Board will open bids on an addition to the school bus garage. This addition, a standard pole type construction, will shelter nine additional busses.

Routine business will be transacted.

The architect for the Northeast School will make a report on the progress at that project.

Recommendations of the State Fire Marshal in regard to all school buildings will be adopted.

School activities planned for the remainder of the month include a reception for Pauline Smith, School Nurse. Miss Smith is retiring after serving the Greencastle Schools for twenty-four years.

Don Marketto, music coordinator, will present a Music Festival at the Senior High School on May 15.

Baccalaureate services for the 1964 graduates will be held on Sunday, May 24. The commencement ceremony will feature an address by Dr. Edward Atkins, Vice-president of Indiana State College, on May 28.

The last day of school is May 29.

Summer activities provided through the public schools include a summer recreation program consisting of, arts and crafts, sports, games and playground supervision.

Summer educational opportunities will include music instruction and courses in Typing, Driver Education, Mathematics, Spanish, Reading, 4-H, and Agriculture.

## Rusk Asks Curb On Cuba Trade

BRUSSELS UPI — Secretary of State Dean Rusk called on America's European Allies today to curb trade with Cuba and urged them to aid South Vietnam in its fight against communism.

In a speech at a Belgian-American lunch, Rusk said the "entire free world has an interest" in preventing Cuba from being used as a "base for subversion and guerrilla operations."

Rusk is on his way to the spring meeting of the North Atlantic Treaty Organization (NATO) Council in The Hague. "We think free nations serve their own best interests when they refuse to sell to Castro items of critical importance to the Cuban economy," Rusk said. He urged Europe to "co-operate" with Western Hemisphere nations "which have the primary responsibility for dealing with this threat to democracy."

A party of capitalists have just crossed a deal whereby they came into possession of the Steiner land at Cataract, whereon is situated the celebrated Eel River Falls. The tract embraces both the upper and lower land for which the Company paid \$150,000. They also purchased the Lowery Brown farm of 200 acres for \$12,000 and the Warren Meek farm of 103 acres for \$7000.

This gives the company possession of all the land between the two falls extending from hill to hill on either side of the river. A dam 50 feet high and estimated to cost \$150,000 is to be built just about the lower falls which will make a reservoir between the falls covering 600 acres. Power houses are to be erected at the lower falls and the greatest electric plant in the state established.

A traction line from Indianapolis will pass through Cloverdale and across the top of the dam thence to Poland and on to Terre Haute. It is said that the proposed plant will be sufficiently powerful to generate electricity adequate to the lighting of every town in the state of Indiana.

## LOCAL WOMAN SELECTED

Dr. Dean H. Hummell, Director of the N.D.E.A. Institute at Ohio University, Athens, Ohio, has announced that Mrs. John Franklin, a counselor at Greencastle High School, has been selected to be a participant in this summer's graduate program for counselors.

The institute, financed by the federal government, provides each participant with tuition, books, and a stipend for the eight-weeks program. Mrs. Franklin's principal area of study will be the identification and counseling of academically talented, but underprivileged, students.

Mrs. Franklin received her B.S. and M.S. degrees at Indiana University and has done post-graduate work at DePauw University, Purdue University, and Indiana State College. She will be accompanied to Athens by her husband, John Franklin, who will also do postgraduate work, and by their two sons, Jay and Robbie.

## Dates Are Set For Day Camp

The Girl Scout Day Camp will be held this year, June 1st, to June 5th, at Fern Cliff. This year there are to be 122 girls who have signed up. Many applications haven't been returned nor the money due for that period hasn't been received. It has been asked that

this is sent promptly to Mrs. Glenn McGrannahan, R.R. No. 2, Greencastle.

Last year plans were incomplete and the Day Camp wasn't held, but this year the time is almost here and the number of girls that are enrolled the camp will need more leaders to help.

This camp is open to all Brownies, Juniors and Cadette Scouts in the county.

## Airliner Crew Shot To Death

WASHINGTON UPI — Federal investigators believed today that a passenger shot and killed the crew of a California airliner, bringing death to himself and the other 43 persons aboard in an apparent insurance plot.

The twin-engine turboprop Pacific Airlines F27 crashed with explosive force in Danville, Calif., about 40 miles east of San Francisco, Thursday, snuffing out the lives of its 40 passengers, its crew of three and a Federal Aviation Agency (FAA) observer aboard.

If a joint investigation by the FBI and the FAA confirms the belief that a gunman killed the crew it would be the first case of its kind in U.S. aviation history.

At Danville, near the crash site, official tape recordings of cockpit-to-tower communications indicted a shooting took place aboard the doomed plane. One official said the word "shot" was quite clear.

Found in the wreckage of the plane was a Smith & Wesson .357 Magnum revolver. The FBI's crime laboratory has determined that six empty cartridges were found in the gun and that it had been fired recently. The FBI has traced it to a passenger on the plane, whose identity was not disclosed.

A Contra Costa, Calif., official at the crash scene told United Press International he saw what appeared to be a bullet hole in the skull of one of the victims. He said he also saw an oxygen bottle which apparently has been pierced by a bullet.

## Pleads Innocent In Fraud Case

NEW YORK UPI — One-time financial manipulator Lowell M. Birrell pleaded innocent in Federal Court to charges of stock fraud and tax evasion.

Birrell, who claims he is unable to pay his lawyers, was supported by two court-appointed attorneys to defend him on the six indictments. They are William B. Pennell and Menahem Stum.

Birrell waived a hearing of the indictments and in a loud voice said, "I plead not guilty," as the number of each indictment was called. The plea was accepted by Judge Wilfred Feinberg.

## Tornado Kills 12 In Michigan

MOUNT CLEMENS, Mich. UPI — A tornado lashed out of darkened skies with savage fury late Friday, dealing death and destruction over a populous area running along the Anchor Bay shoreline.

At least 12 persons, including six children and several young mothers, were killed. Possibly as many as 600 were injured and many more were missing. Damage was estimated in the millions of dollars.

A visibly shaken Gov. George Romney, who flew here from the Republican state convention at Grand Rapids, toured the stricken area and said, "This is a shocking major disaster. It's unbelievable. I've never seen anything like it."

What Romney viewed was a scene that reminded military personnel of the worst ravages of war.

The tornado, which struck during the 5 p.m. dinner hour, obliterated everything in its path in the canal-laced area along Anchor Bay, an arm of Lake St. Clair about 30 miles northeast of Detroit.

Homes were crushed as though by a giant hand. Trees were uprooted. Utility poles were stacked like kindling wood. Large boats were sucked from the water and hurled against trees. Electricity was knocked out and gas mains had dangerous leaks in many areas. Automobiles were ripped open and tumbled onto their tops. Roofs were torn off homes.

People were trapped in their homes and were killed or injured as the roofs crashed down on them. Some of the injured were trapped in their cars. Others were caught in the open and hurt by flying debris.

Macomb County Sheriff Lester Almstadt, who was in charge of rescue and cleanup operations, said there were at least 12 dead and "there is no doubt in my mind at this time that the toll will go higher." He estimated the injured at near 600 and state police estimated between 400 and 600.

Romney said federal officials would confer with him in Grand Rapids today regarding aid to the stricken area.

## 2 Cars Damaged In Local Mishap

An estimated \$600 in property damage resulted in a traffic accident at Washington Street and Spring Avenue at 4 o'clock Friday afternoon, city police reported Saturday morning.

Police said a 1963 Volkswagen, parked on Spring Avenue, was hit in the rear by a 1962 Studebaker being driven by Steven O. Wood, 16, of 126 Martinsville Street.

The parked car belongs to Raymond O. Clutter of Indianapolis.

Damage was set at \$500 on the Volkswagen and \$100 to the Studebaker.

Wood was arrested by Officer Russell Rogers for having faulty brakes.

The police report said Wood was going west on Washington and was making a right turn into Spring Avenue when the mishap occurred.

## Firemen Called

City firemen made two runs to the Barnaby Mill Friday evening.

At 6:15 p.m. a trash fire was reported at the east end of the yard.

Then at 9:15 p.m. the firemen were called back when some lumber and scrap junk was discovered to be burning. No damage was reported.

WASHINGTON UPI — President Johnson called on all Americans today to "open wide the door of equality" for 20 million of their Negro fellow citizens who have been "on the outside looking in" for 200 years.

Johnson issued the appeal in remarks prepared for delivery at ceremonies in the Singer Bowl at the New York World's Fair marking the 50th anniversary of the Amalgamated Clothing Workers Union AFL-CIO.

The President, who returned only Friday afternoon from a grueling two-day tour of six states in the poverty-stricken Appalachian region, scheduled a 13-hour day today. This included at least three speeches in the New York City area plus an address to a Democratic fund-raising dinner in Atlantic City, N.J., tonight.

In his prepared speech to the clothing workers, Johnson described the civil rights bill, which will enter its 10th week of debate in the Senate Monday, as "a far reaching step in the direction of equality."

"It may take all summer—it may take sessions around the clock," he said, "but I promise you here and now that we are going to pass that bill; we are going to bring new hope to 20 million Americans who for two centuries of our history have been on the outside looking in."

At a news conference last Wednesday, Johnson raised the threat of an extended session of Congress if the lawmakers fail to pass the bill before this summer's political conventions. He said he would ask Congress to return even after the Democratic convention in August if it became apparent there was a slowdown to avoid action on the rights measure and other priority legislation.

## Jury Selected In Hoffa Trial

CHICAGO UPI — A jury was sworn in in the James R. Hoffa \$20 million fraud trial after two weeks of painstaking selection Friday and testimony was expected to begin Monday.

The opposing sides agreed on a jury of eight men and four women hardly an hour after the government had used up the last of its 18 peremptory challenges. The defense used its last peremptory challenge by which a prospective juror can be dismissed without stating a cause-Thursday.

Four alternate jurors must still be selected before the opening statements of a trial which is expected to last through the spring of much of the summer. The spec. with whi the last four jurors were selected, however, indicated there would be little difficulty sitting the alternates.

The selection process was especially arduous because U. S. District Court Judge Richard B. Austin has ruled that the jury will be locked up for the duration of the marathon trial.

The last four jurors to be sworn in were Rayford W. Lee, employee of a manufacturing company; Mrs. Cecily Larson, a housewife; Rudolph W. Vivian, a television repairman; and Mrs. Sybil Doughton, an unemployed waitress.

Fire Hazards  
To Be Corrected

INDIANAPOLIS UPI — Indiana Department of Corrections Commissioner Arthur Campbell said he hopes to correct hazardous electric wiring conditions at the Indiana reformatory which were mentioned in an Indiana state fire marshall's report.

The report generally gave a good rating to the Pendleton institution but said of the hospital that "if the present building is to be used and surgery performed, the following recommendations are to be compiled with."

Listed were complete rewiring of the hospital, installation of an emergency generator, and installation of conductive flooring in the surgery room.

The report also found that "the wiring system is outdated and definitely needs replacing" in the security building. "The present system is a hazardous condition," the fire investigator reported.

WASHINGTON, D.C. —Sixth District Congressman Richard L. Roudebush (R-Ind.), reported today that the Secretary of Army's office has approved and signed a favorable report on the proposed \$15 million Big Pine Creek Reservoir in Warren County, Indiana, and forwarded the report to the Bureau of the Budget.

Congressman Roudebush announced that Harry C. McPherson, Jr., Deputy Under-Secretary of Army for Internal Affairs, signed the report on Monday, May 4, and the report was forwarded to the Bureau of the Budget the same day.

Out Of Names

INDIANAPOLIS UPI —Governor Welsh's news secretary, James McManus, confessed to Statehouse reporters that he and his wife have "run out of names" for daughters.

Mrs. McManus Thursday gave birth to their fifth child—a girl—as are the four others. The names of the first four are Allison, Karen, Lynn and Anne, but the new arrival was nameless as of Friday. The McManuses live at Mooresville.

IN MEMORY

In memory of our beloved daddy, Jesse Sears, who passed away one year ago May 11th. Near a shady wall a rose once grew.

Budded and blossomed in God's free light,  
Watered and fed by morning dew.  
Shedding its sweetness day and night.

As it grew and blossomed fair and tall,  
Slowly rising to loftier height,  
It came to a crevice in the wall,  
Through which there shone a beam of light.

Onward it crept with added strength,  
With never a thought of fear or pride

It followed the light through the crevice-length.

And unfolded itself on the other side.

The light, the dew, the broadening view,  
Were found the same as they were before,  
And lost itself in beauties new,  
Breathing its fragrance more and more.

Shall claim of death cause us to grieve?  
And make our courage faint and fall?

Nay, let us faith and hope receive,  
The rose still grows behind the wall.

Scattering fragrance far and wide,  
Just as it did in days of yore  
Just as it did on the other side,  
Just as it will forevermore.

Irene and Girls, Betty, Eva, Carol, Rosie.

MOTHER'S DAY TRIBUTE

In loving memory on Mother's Day for our dear wife, mother, and grandmother, Mary H. Kemper, who died March 2, 1959:

She always leaned to watch for us,  
Anxious if we were late,  
In winter by the window,  
In summer by the gate;  
And though we mocked her tenderly,  
Who had such foolish care,  
The long way home would seem more safe

Because she waited there.  
Her thoughts were all so full of us,  
She never could forget!  
And so we think that where she is

She must be watching yet,  
Waiting till we come home to her,  
Anxious if we are late—  
Watching from Heaven's window,  
Leaning from Heaven's gate.

Sadly missed by the family,  
H. W. Kemper, Children, and Grandchildren.

### CLOVERDALE SCHOOL NEWS

There is only one short week of school left for the seniors of CHS. In behalf of the senior class, I should like to say that we shall miss each and every one of our underclassmates. Long shall we remember our our good times of joy and cheer, the laughter that filled the halls between classes, and our hard times as well as our times of play.

And, of course, we shall take with us our memories of the Junior and Senior plays, our Junior Halloween Carnival and especially, our Junior-Senior Prom. These are among the many fond memories of our high school years.

Always shall we be indebted to our wonderful teachers, Mrs. Cassidy, Mrs. Franklin, Mrs. Dierdorf, Mrs. Truesdel, Mrs.

McCammon, Mr. Nees, Mr. Purcell, Mr. Tucker, Mr. Carter, and our coach, Mr. Miller. We shall always remember Mrs. Liveoak, our Junior and Senior sponsor, Mr. Johnson, our superintendent, Mr. Hayes, our principal and Mrs. Lewis, our secretary. We wish to thank these wonderful people for their guidance and consideration. We believe, if it were not for them, we would not be prepared to go into the world of today.

CHS has played a very important part in our lives. Here we have learned to respect and maintain a higher standard of knowledge.

We wish the very best to all seniors that shall be graduated from CHS in the years to come. We are sure that they, too, will find it hard to say goodbye to a part of their lives. But now, it is left up to us, to go into the world to prove that "In our

selves, our future lies."

Baccalaureate will be Sunday evening, May 17 at 8:00 o'clock CDT. It will take place in the high school gymnasium.

Commencement Services will be Wednesday evening, May 20 at 8:00 o'clock CDT in the high school gymnasium.

The chorus will sing at Baccalaureate. An enlarged brass ensemble will perform for Commencement. This is a change because in the past years, the band has always played. Due to the limited capacity of our gymnasium, and our large graduating class, the plan has been changed.

The band will be meeting every Wednesday evening during the summer until the end of July. They are now preparing for their summer program.

GAA track meet in Bloomington. Brenda Dunagan placed 1st in the running, hop, skip and jump and also in the 75 yard dash. Linda Linley placed 1st in the high jump. She jumped 4'6". The schools participating were, Ellettsville, Bloomington University High, Dyer Jr. High, Triton Jr. High, Perry East, Bishop Chatard, Russellville High School and Carmel High.

We're very proud of our county champions track team this year. This makes 11 out of 12 years for Cloverdale to win.

The boys who are planning to go out for basketball next year will find they have to run 75 miles instead of 50 before they can participate in October. The best of luck to all of them.

#### Closing Events

TAXPAYERS ON HEARINGS ON PETITIONS FOR REASSESSMENT OF REAL ESTATE IN PUTNAM COUNTY, INDIANA

Pursuant to the provisions of Chapter 319, Acts of 1961, as amended, notice is hereby given to petitioners and taxpayers of Putnam County, Indiana, that the State Board of Tax Commissioners, or a representative thereof, will conduct a hearing on May 20, 1964, in the office of the County Auditor, Court House, Greencastle, Indiana, on petitions filed with this Board requesting a reassessment of real estate for the year 1964. The hearing will commence at the hour of 9:00 A.M. and continue until all petitions have been considered. There were filed with this Board 15 petitions, requesting a total net reduction in assessments of \$45,297 which will be considered at the hearing. A detailed statement showing the names of the petitioners, the descriptions of the properties and the amount of each specific reduction or increase requested is available at the County Assessor's Office and also at the office of the township trustee or the township assessor of the township in which the property is located.

All persons who have filed petitions for reassessment and taxpayers of the county are hereby notified that they may appear at such hearing and show cause, if any, why a reassessment of any such real estate should or should not be made.

After such hearing the State Board of Tax Commissioners shall order such reassessment as it deems appropriate. STATE BOARD OF TAX COMMISSIONERS

THE ZERAVSHAN RIVER is a mere trickle in its dried-up bed where Soviet engineers are setting off massive explosions to open a new canal so the water won't back up and bury the ancient city of Samarkand. A giant landslide dammed the river.

FANG FAILURE—Kuemmel, 7, pet dachshund of Anne Bartz in Milwaukee, Wis., looks complacent, even with all this trouble. First a gum ailment. All his teeth but two lower fangs had to be extracted, and the job resulted in a broken jaw. You can see the brace. He wears the collar to ease any bumps.

NOISE SPIKED—Some 4,000 plastic foam spikes developed by B. F. Goodrich in Akron, O., simulate free space conditions in this test chamber. ## Tigers Defeat Aces In Tennis

DePauw made Evansville College its fourth straight conference victim yesterday on the Blackstock Stadium tennis courts.

Forced to go three sets in only one match, the Tigers won, 7-0, and pushed their season record to 10-6.

Today Indiana State hosts DePauw. The Blackstock installation will be a neutral rendezvous for Evansville and St. Joseph's.

Results of yesterday's matches were:

Walt Beatty over Jerry Bertelsen, 6-3, 6-0.

Kim Wincup over Lanny West, 6-1, 6-4.

Ren Werrenrath over Larry Schornhorst, 6-3, 6-2.

Bruce Voorheis over William Koch, 6-2, 6-0.

Jim Heineman over Ray Denton, 6-1, 6-2.

Beatty-Voorheis over Bertelsen, 3-6, 7-5, 6-4.

Wincup - Werrenrath over Schornhorst-Koch, 6-4, 6-1.

## Three Records Broken Friday

INDIANAPOLIS UPI—Three all-time sectional records fell Friday in the Indiana high school track sectionals but winds which gusted up to 40 miles an hour and more in some places may have prevented a greater attack on the records.

All three of the all-time sectional records which fell were broken in the Gary sectional where the wind helped the athletes. One local sectional record also was tied at Gary.

Gary Roosevelt, which won its fifth straight Gary sectional, led the qualifying for next week's regionals. The Panthers qualified 16 individuals and both relay teams for the regionals.

## High Average

Willie Mays shrugged his shoulders over his fantastic .468 average today and said, all things considered, it wasn't too bad a start.

"They've been dropping in

for me pretty good," he said, his face perfectly solemn.

What Willie meant is that the balls have been dropping in the seats, or what else would you call his 11 homers that top the major leagues.

## May Slow Speed

INDIANAPOLIS UPI—A forecast of wind and possible showers today threatened again to hamper high speed running at the Indianapolis Speedway with the start of qualification time trials for the Memorial Day 500-mile race only a week away.

Winds which hit up to 28 miles per hour in gusts Friday held down the speeds although a few drivers got up over the 150 mile mark late in the day.

## Koch To Senators

WASHINGTON UPI—The Senators today bought pitcher Al Koch from the Detroit Tigers.

General Manager George Selkirk said Washington paid more than the \$20,000 waiver price for the rookie righthander.

## Mets Draw Fans

## New Stadium

WASHINGTON UPI—The City of Pittsburgh has been given a \$14.4 million federal grant to build a new 84-acre stadium for the Pittsburgh Pirates and Steelers.

## Seek Cup Victory

NEW YORK UPI—The United States will send its four top-ranking women's tennis players against Great Britain at Wimbledon, June 12-13, in a bid for its fourth consecutive Wightman Cup victory.

## Pride Of Mets

NEW YORK UPI—Roy McMillan, the new pride and joy of the Mets who still is a bit bewildered by it all, said today he "came to play."

If that's the case, the 33-year-old one-time boy wonder certainly came to the right place.

Bounced from a third place club to a tail-end, McMillan said he "couldn't quite understand" the deal in which the Milwaukee Braves Friday obtained pitcher Jay Hook for him, and then turned around and sent him to the minors, but he was happy to be a member of the Mets nevertheless. "At least, I feel I'm going to play here," said the veteran shortstop. "Gosh, it's been a couple of weeks since I've played at all. No, I take that back. I did play four innings for the Braves in Philadelphia Thursday night, but that was the first time they used me in weeks."

## Mickey Leads

ST. LOUIS UPI—Mickey Wright joked today about wind gusts up to 43 miles an hour as "pretty tough on a little girl like me" but the other women pros didn't see anything funny about the first round of the Squirt Women's Open Friday.

Miss Wright, long off the tee and deadly with her irons, and not a little girl at all, grabbed the first round lead in the \$12,500 54-hole tournament here with a one under par 70. She did the trick while not a single other woman pro could match

or break par.

"That wind sure makes it tough to chip and putt," Miss Wright said.

## Belts 3rd Homer

The "patient" is coming along fine and, quite naturally, so are the New York Yankees. Mickey Mantle, affected by assorted ailments since the season's onset, once again is leading the revitalized Yankees on the road back toward the top of the American league.

Taped leg and all, Mantle belted his third home run in the last four games Friday night to start New York off to a 10-3 victory over the Cleveland Indians.

## Nashville Jails Race Protesters

Police made more arrests Friday as racial demonstrations continued in Nashville, Tenn.

At least 36 persons were hauled off to jail during roving sit-ins by 150 students on the 12th day of segregation protests in the Tennessee capital. There was some pushing and shoving as Negroes attempted to enter a segregated restaurant but officers kept the demonstration orderly.

## U. S. Buys Beef

WASHINGTON UPI—The Agriculture Department, stepping up its efforts to bolster the sagging cattle market, has purchased an additional \$5.5 million worth of beef for donation to school lunchrooms and needy families.

The purchase, announced Friday, was nearly double the \$3.3 million in beef bought last week and brought to about \$34 million the value of frozen and canned beef purchased by the department since March 2.

# Company Coffee Break

## Chicory Adds New Flavor Note

By Joan O'Sullivan

There comes a social hour in mid-afternoon or late evening when refreshments are served to guests. What form shall they

take?

We suggest a company coffee break, but one that's spectacular.

## Coffee With Chicory

Serve a special kind of coffee, such as one that comes blended with chicory. It's deliciously different. The chicory

heightens its flavor and gives a rich aroma to the brew.

You can serve it in the regular way or try the following variations:

**French Cafe Au Lait:** Use equal amounts of hot coffee and hot milk, pouring them into the cup simultaneously.

**Caffe Cappuccino:** Use the French Cafe Au Lait recipe but add a dash of grated orange rind.

**Viennese Coffee:** Serve black or with milk, but always with a dollop of delicious whipped cream.

Since no company coffee break is complete without something sweet, whip up one of the coffee-flavored desserts that follow to round out refreshments.

## COFFEE KUCHEN

- 3 c. sifted all-purpose flour
- 1 tbsp. instant coffee with chicory
- 3 tsp. baking powder
- ¼ tsp. baking soda
- Dash salt
- 2 c. firmly packed brown sugar
- 1 c. butter or margarine
- 1 c. milk
- 2 eggs, slightly beaten
- ¼ tsp. allspice

Sift together into bowl flour, coffee, baking powder, soda and salt.

Mix in sugar; cut in butter until consistency of course meal. Reserve 1 c. for topping.

To remainder, add milk and eggs; mix well.

Turn into greased 13x9x2-in. pan.

Mix topping and allspice. Sprinkle on batter.

Bake at 375 F. for 40 min. or until cake tests done. Serve warm.

## MOCHA CHEESE CAKE

- 1½ c. vanilla wafer crumbs
- ¼ c. butter or margarine, melted
- 1 lb. cream cheese, softened
- ¾ c. sugar
- ½ tsp. salt
- 2 tsp. vanilla
- 4 eggs
- 1 (6 oz.) pkg. chocolate chips
- ¾ c. water
- 2 tbsp. instant coffee with chicory
- walnuts

Mix crumbs with butter; press into bottom and around sides of 9-in. spring form pan. Beat together cream cheese, sugar, salt and vanilla until smooth; then beat in eggs, 1 at a time.

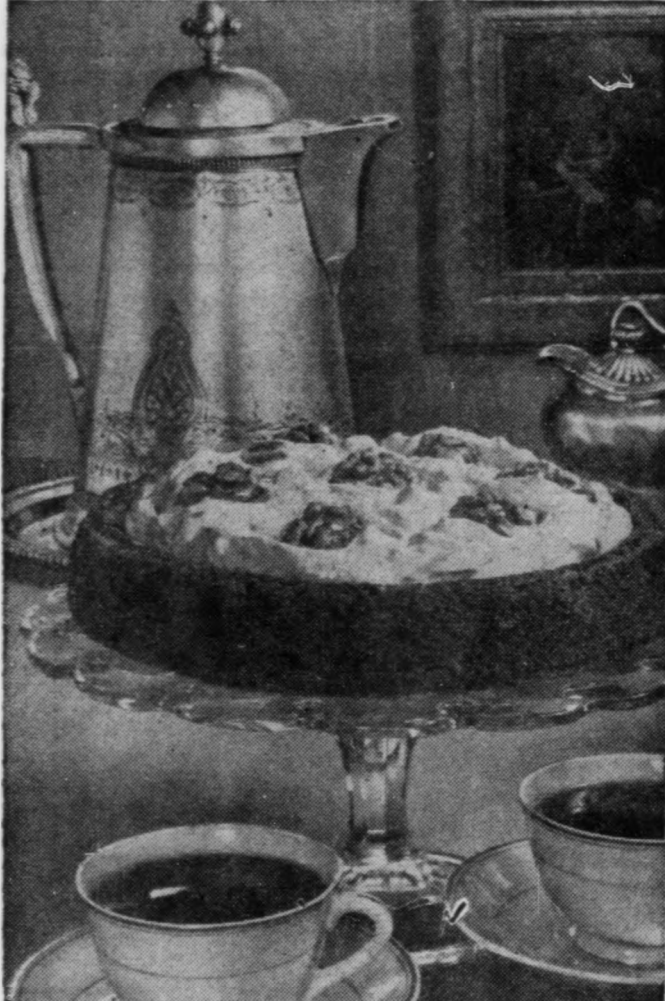

Combine chocolate chips, water and instant coffee in saucepan. Stir over low heat until chocolate melts. Gradually blend into cheese mixture. Pour into pan; bake at 350 F. for 1 hour, or until knife inserted near center comes out clean.

Cool thoroughly.

Spread Coffee Whipped Cream on cake; garnish with walnuts.

## COFFEE WHIPPED CREAM

- 1 c. heavy cream
  - 2 tsp. sugar
  - 2 tsp. instant coffee
  - 1 tsp. vanilla
- Beat all ingredients together until soft peaks form.

WALNUTS GARNISH Mocha Cheese Cake, a luscious dessert glamorously topped off with Coffee Whipped Cream.

WHETHER IT'S mid-afternoon or late evening, coffee and cake are always a welcome combination for refreshments.

# IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

## Five different lines of cars—forty-five different models to choose from. Come early and trade great!

Now that spring is in full swing, you'll find new Chevrolets perfect for picking.

**Luxury**—First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding with a fat coil spring at all four wheels to smother bumps. Over 700 sound stoppers throughout the car to blot out wind and road noise. Interiors luxuriously done up in the newest and softest vinyls.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

**Spirit**—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Order to your liking in sedan, coupe, station wagon and convertible body styles. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

**Economy**—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. But for all its thrift, it's anything but under-furnished. Did you know that the Super Sport Coupe has bucket seats and door-to-door carpeting? Eight models to pick from, including wagons with room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

**Fun**—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it. You'll even think they're now paving highways with adhesive tape the way Corvairs cling to them.

**Corvette**. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. Pick either one and you'll find it does for your driving what holidays do for kids.

**Performance**—And with any new Chevrolet you choose, you can get the standard engine for all the power you need in everyday come-and-go driving. Or you can pick from a wide, wide range of extra-cost engines for maximum performance.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers—you'll travel!

THE GREAT HIGHWAY PERFORMERS—Models shown top to bottom: Corvette Sting Ray, Corvair Monza Spyder, Chevy II Nova Super Sport Coupe, Chevelle Malibu Super Sport, Chevrolet Impala Super Sport.

## My "Mom"

...and how we love her! She is a unique individual. She is personal. She is mother. It is she who tempers us to fit into a big world. *She leaves the life she gave and guides its destiny.* Mother is the one who is most concerned when the world may rise against us. She is an important factor in shaping the mold from which real men are made. *Not one single human emotion comes nearer the divine than does a mother's love for her child.* Then, respect her experience, her knowledge, her concern for your life. Listen to her pleadings. Follow her teachings. Accept her guidance...for, in few instances, will she ever be wrong. How fitting that we give this day...the second Sunday in May...in her honor. In respect to her, and to show your deepest concern, take her to church this Mother's Day.

You In The Church  
The Church In You  
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

WASHINGTON UPI — If you are raising your boy to be a candidate for President of the United States, by all means start training him immediately to eat his own words. He also should practice the art of telling little white lies with a straight face and in a convincing voice. Talking or to be more accurate, double-talking—is an occupational disease suffered by almost all politicians. Inevitably they say things that return to haunt them, and today we have a piece of bad news for the supporters of Henry Cabot Lodge. He is on record as having said he couldn't be elected president.

### Committee Cuts '65 Ag. Budget

WASHINGTON UPI — The House Appropriations Committee hefted the economy ax Friday and took a \$406 million whack out of President Johnson's \$5.6 billion agriculture budget for fiscal 1965. The committee said the reduction was greater than the total cut from all other departments. It approved a bill which would appropriate slightly less than \$5.2 billion for Agriculture Department activities covering the 12-month period starting July 1. The legislation would provide about \$1 billion less than the appropriation for agriculture in the present fiscal year. The committee's 66-page report said the biggest part of the reduction—about \$365 million—
